## NEWS RELEASE

### GEA TECHNOLOGIES ANNOUNCES CONDITIONAL APPROVAL FOR LISTING AND CLOSING DATE FOR PROPOSED MERGER

---

September 8, 2017 - Calgary, Alberta, Canada – **GEA Technologies Ltd.** “NEX:GEA.H” (“**GEA**” or the “**Company**”), an Alberta corporation listed on the NEX exchange, and DropLeaf LLC (“**DropLeaf**”), a limited liability company governed by the laws of Nevada, are pleased to announce (further to the press release dated July 6, 2017), that the parties have received conditional approval for the listing of the GEA common shares on the Canadian Securities Exchange (“**CSE**”).

A full description of the transaction is included in the Listing Statement dated August 29, 2017, which has been filed on SEDAR at [www.sedar.com](http://www.sedar.com).

Closing is expected to occur on Tuesday, September 12, 2017, with listing to follow on the CSE under the symbol “JUJU” on or about Friday, September 15, 2017, subject to filing all the documents required by the CSE to complete the listing. Following closing, GEA will carry on business as International Cannabrands through its wholly owned Nevada subsidiary, International Cannabrands Ltd. The Company will propose a formal name change to its shareholders at its next annual meeting to adopt the name of “International Cananabrands.” Concurrently with the CSE listing, the GEA common shares will cease to be listed on the TSX Venture Exchange.

#### **About DropLeaf**

DropLeaf, a private limited liability Nevada company, was founded in 2014, for the purpose of licensing Julian Marley’s JuJu Royal Ultra Premium Cannabis brand to producers and processors to develop branded strains of cannabis, infused and edible cannabis consumables, as well as ancillary products such as clothing, paraphernalia, posters, and other products. DropLeaf maintains its head office and operations in Denver, CO and derives its revenue from licensing and other fees and royalties generated from the various licensees who ultimately distribute and sell the products.

For additional information concerning DropLeaf please refer to the press releases dated June 9, and July 6, 2017, and the Listing Statement dated August 29, 2017, filed under the SEDAR profile for GEA at [www.sedar.com](http://www.sedar.com).

## About GEA

GEA is a technology company with licensed rights to a wireless technology able to provide high-speed, self-healing networks in remote locations. A successful transaction with DropLeaf would involve the disposition by GEA of its technology assets.

*Completion of the transaction is subject to a number of conditions, including but not limited to, CSE acceptance. There can be no assurance that the transaction will be completed as proposed or at all.*

*Investors are cautioned that, except as disclosed in the management information circular or filing statement to be prepared in connection with the transaction, any information released or received with respect to the transaction may not be accurate or complete and should not be relied upon. Trading in the securities of GEA should be considered highly speculative.*

*The TSX Venture Exchange Inc. has in no way passed upon the merits of the proposed transaction and has neither approved nor disapproved the contents of this press release.*

### **Forward Looking Statements**

*This news release contains forward-looking statements relating to the timing and completion of the Proposed Transaction, the future operations of GEA and other statements that are not historical facts. Forward-looking statements are often identified by terms such as “will”, “may”, “should”, “anticipate”, “expects” and similar expressions. All statements other than statements of historical fact, included in this release, including, without limitation, statements regarding the Proposed Transaction and the future plans and objectives of the Resulting Issuer, are forward looking statements that involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the parties' expectations are risks detailed from time to time in the filings made by GEA with securities regulations.*

*The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of GEA and DropLeaf. As a result, GEA and DropLeaf cannot guarantee that the Amalgamation will be completed and that any forward-looking statement will materialize and the reader is cautioned not to place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made as of the date of this news release and Primary will update or revise publicly any of the included forward-looking statements as expressly required by Canadian securities law.*
